

PLANT CHICAGO

Our mission is to cultivate local circular economies

We provide hands-on STEM programs for K-12 students, support small businesses, run shared-use indoor farms, and increase access to locally grown produce on Chicago's southwest side.

Engaging present & future sustainability leaders

Program Areas

YOUTH STEM EDUCATION

Hands-on STEM workshops, offered regardless of ability to pay, introducing classrooms on the southwest side to indoor aquaponic farming.

SMALL BUSINESS SUPPORT

Working with small businesses to implement circular economy practices.

INDOOR VICTORY GARDEN

Our one of a kind space for Chicagoans to learn how to grow food indoors year-round.

LOCAL FOOD ACCESS

Low-cost boxes of local produce offered to our neighbors on the southwest side of Chicago.

Our 2022 impact

By the Numbers

1.6k

Average # of youth attending our STEM workshops

42%

STEM workshops offered to schools on the southwest side

14k+

Pounds of materials diverted from landfills

90/80

% of women/BIPOC led small businesses in our network

36%

Of every dollar spent stays on the southwest side

\$21k

In healthy food incentives to low-income families

1

Indoor Victory Garden - the only of its kind!
